

1934—CITY OF SAN BERNARDINO  
SPECIAL PRIZE AWARD

**"TREASURE TROVE"**

"Treasure Trove" is the theme of the beautiful National Orange Show entry. It consists of a pirate boat resting in a sea of green breaks and blue delphinium, candy-tuff and chrysanthemums, which boat against a shore of silvery desert holly. The ship of marigolds and bronze chrysanthemums is filled with golden oranges which tumble from the treasure chests upon the deck.
