City Treasurer Department

Business Plan – Overview

Mission Statement:	The mission of the City Treasurer Department is to provide cash and investment management services in accordance with City’s adopted investment policy and the safeguarding of the City of San Bernardino’s cash and investment assets. Its mission is to provide excellent customer service to the citizens of San Bernardino and to provide excellent support and banking liaison services to city departments and the San Bernardino Municipal Water Department. Our mission includes the promotion of accurate and reliable deposit and investment accounting records and the timely preparation of reliable financial information.
---------------------------	---

About The Department

1. The City Treasurer is a part-time position elected at large to a four-year term. The City Treasurer is responsible for overseeing City and Water Dept. investments and related policies as established by the Common Council and derived from Resolution No. 91-212 of the City of San Bernardino and the Charter of the City of San Bernardino. Investments are made in conformity to the California Gov Code, Sections 53601 through 53659 and the Investment Policy of the City of San Bernardino
2. The City Treasurer is also responsible for verification of cash and check collections which are processed through the Water Department Cashiers for the City and Water Department, their physical preparation for bank deposit, and reconciliation of bank deposits, ACH credits, and wire receipts.

Top Accomplishments for FY 2009/10

1. Maintained full compliance with Investment Policy.
2. Prepared the annual review of dealer/ investor relationships and compliance to internal controls.
3. Reviewed and updated the Investment Policy for FY 09/10 and filed the revised FY10/11 Investment Policy with the Mayor and Common Council
4. Implemented cross training program
5. Completed implementation of paperless Treasurer’s Receipt program
6. Updated investment tracking system

7. Maintained full compliance to GASB 31
8. Manage daily banking for the City.
9. Complete investment policy review and update.

Major Issues for FY 2010/11

1. Maintain a favorable rate of return on the City's investments while ensuring investments meet policies for risk
