## **Community Development**

### **Business Plan – Overview**

---

<b>Mission Statement:</b>	To facilitate quality development by providing efficient and accurate processing of development plans and permits, and stormwater management, while promoting and maintaining standards to preserve and improve the quality of life and public safety and beautification in the City.
---------------------------	---

#### ***About The Department***

---

The Community Development Department is comprised of nine program areas, which include Administration, Permits and Customer Service, Advance Planning, Land Development, Building and Safety, Stormwater Management/NPDES, Code Enforcement/Beautification, Single-Family Rental Property Inspection and Weed Abatement.

1. Administration. This program is responsible for the overall policy direction and management of the department and provides administrative support to management staff and programs. This division is also responsible for budget preparation and maintenance, billing for departmental services, processing all invoices and purchase orders, and personnel processing and policy.
2. Permits and Customer Service. This program is responsible for plan check submittal, plan review, and issuance of permits. This program also provides general information related to planning, building, and engineering requirements.
3. Planning. This program is responsible for periodic updates of the City's General Plan and processing applications for conditional use permits, subdivisions, variances, and development permits consistent with the City's General Plan and Development Code, and other planning-related laws as outlined in the California Government Code. Staff also provides support to the Planning Commission, Development/Environmental Review Committee, and Historical Preservation Commission. The program oversees environmental analysis for public and private projects, prepares and administers specific plans and area plans, conducts special studies related to land use and development and works with other agencies and the public on special land use related projects.
4. Land Development. This program participates on the Development/Environmental Review Committee to establish improvement requirements for new development and also provides plan checking for new development, including site grading and drainage and related off-site improvements within the

- public right of way. The division checks subdivisions, parcel maps, and records of survey for conformance with the Subdivision Map Act.
5. Stormwater Management/NPDES. This program is responsible for compliance with the City's Municipal Separate Storm Sewer System (MS4) permit, in accordance with the National Pollution Discharge Elimination System (NPDES) requirements. The division provides input on the design of development projects and ensures Water Quality Management Plans (WQMP) contain adequate best management practices (BMP) for stormwater quality; inspects construction sites, municipal property, and commercial and industrial businesses to ensure pollutant control measures are in place and provides stormwater-related educational material to the public and development community.
  6. Building and Safety. This program is responsible for building and on-site inspections to ensure compliance with building codes, state laws and regulations, state energy and conservation requirements, disabled access requirements, implementation of the City's mobile home park inspection and unreinforced masonry building mitigation programs, and other City ordinances. The division provides staff support to the Disabled Access Appeals Board.
  7. Code Enforcement/Beautification. This program is responsible for the promotion of safety and beautification in the City to improve the quality of life for residents by working with the community, neighborhood organizations and other departments and agencies to ensure that existing buildings and properties conform to the property maintenance ordinances and other applicable codes.
  8. Single-Family Rental Property Inspection. This program is responsible for enforcing minimum property maintenance standards for single-family rental properties by conducting proactive annual inspections and working towards the overall goal of beautification of the City.
  9. Weed Abatement. This program is responsible for conducting semi-annual inspections of all vacant lots in the City, to hold property owners accountable for maintaining their property to prevent fire hazards, eliminate blighted conditions and to improve the overall aesthetics of the City.

### ***Top Accomplishments for FY 2009/10***

---

1. Completion of the Housing Element update.
2. Completion of the comprehensive sign code update.
3. Implementation of GIS Module of Permits Plus.
4. Implementation of Interactive Voice Recognition System for Inspection Requests and Results.

5. Implementation of the GoEnforce Code Enforcement software program, allowing officers to be completely wireless in the field.
6. Implementation of the Single-Family Rental Inspection Program.
7. Continuation of proactive participation in the community including attending Neighborhood Cluster Associations and other community events distributing information on property maintenance and other applicable code requirements.
8. Authorization from the Mayor and Common Council and completed the destruction of paid/closed files dating back to 1987.

### ***Major Issues for FY 2010/11***

---

1. Coordination of the Omnitrans sbX project and local business concerns.
2. Implementation of staff reorganization to develop and restructure the permit process.
3. Establishment of an electronic “plan check” submittal process to streamline the plan check process.
4. Updated MS4 Permit requirements will increase plan check review times, inspection priorities, education focus, and fiscal needs to participate in the County Area-wide Stormwater Program.
5. Implementation of Water Efficient Landscape Ordinance.
6. Storage, archiving and organizing of files and plans.
7. Providing employee development opportunities through expanded training.
8. Adoption of the 2010 California Building Standards Codes and the California Green Building Code.
9. Training and Certification of Building and Safety Staff to comply with SB 1608 (CA Access Specialist Certification (CASP)).
10. Work with the Economic Development Agency to develop additional resources for home owners who lack financial ability to bring property into compliance.
11. Streamline and consolidate services with Finance for processing payments, collections and liens.
12. Incorporating properties within the recently annexed County islands into current workload.

13. Development of ordinances to provide tools necessary for the continued implementation and improvement of our mission statement.
14. Identify a funding source for maintenance and replacement of equipment.
15. Explore options for vacant lot beautification through installation of low maintenance vegetation in the down-town area.

### 2010/11 Adopted Budget

### Full-Time Employees

**Community Development  
Program: Administration**

***Program Summary***

Program Code:	0001
Program Purpose:	To plan, administer and coordinate the resources necessary to ensure cost effective and efficient support services to the Community Development Department.
Strategic Goals Addressed:	<ul style="list-style-type: none"> <li>• Business and Economic Development</li> <li>• Responsive Government</li> </ul>

***5 – Year Program Goals***

1. Use new technology to provide improved services to citizens and to make recommendations and implement approaches that coordinate with other departments and serve a growing city.
2. Streamline the process for reimbursement and other accounting-related activities.
3. Develop and implement succession and career planning in each program to ensure effective management and supervision.
4. Establish an advisory group with members from the development community to solve problems and propose process improvements.
5. Focus on customer service and enhance communications and consistency during the development process by the creation of the Permits and Customer Service program.
6. Develop a program for measuring customer service satisfaction.
7. Examine and revise internal systems and processes to empower staff to more effectively and rapidly respond to changing conditions (e.g., changes in the economy, foreclosure trends, etc.) while maintaining necessary accountability and control.
8. Continue to work with the County Assessor’s Office and Finance on tracking lien payments paid through property taxes.

### ***Program Budget Summary***

---

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted
Funding Level	\$1,569,076	\$1,611,436	\$1,577,321	\$1,703,800
Full Time Employees		9.00	9.00	9.00
Funding Sources				

### ***Program Changes***

---

None.

### ***FY 2010/11 Program Objectives***

---

1. Transition to a program budget.
2. Ensure expenditures submitted by the Department are in accordance with budget provisions and fund policies.
3. Create written Policies and Standard Operating Procedures to effectively communicate expectations to staff and respond to community needs.
4. Continue to monitor the archiving process for staff and public access.
5. Cross-train staff on various office and accounting procedures.
6. Streamline internal processes to create efficiencies and responsiveness to customers.
7. Implement a technology fee to provide for replacement of computers and other technologies/equipment to improve department efficiency.
8. Explore funding options for Code staffing.

### ***Ongoing Program Objectives***

---

1. Continue to monitor the archiving process for staff and public access.
2. Continue improvement of complaint tracking and follow-up measures through the SB Access Online.
3. Provide administrative, technical and financial support to Community Development to ensure cost effectiveness and efficiency.

***Performance Measures***

	2007/08 Actual	2008/09 Actual	2009/10 Target	2009/10 Mid-Year	2010/11 Target
Percentage of annual performance targets met in all programs					85%
Maintain overall customer satisfaction rating of “Good” or higher on an “Exceeded” scale in SB Access Online Program					90%
Maintain overall customer satisfaction rating of “Good” or higher on an “Exceeded” scale in SB Access Online Program with the Permits and Customer Service program					90%
Percentage of planned FY2011 objectives met by all programs					85%
Number of Standard Operating Procedures developed					4
Percentage of Department performance measures with data and documentation reported by required due date					95%
Percentage of demands for lien pay offs processed within 30 days					95%
Percentage of costs recovered through lien process					85%
<u>Percentage of department complaints investigated responded to within one week</u>					<u>95%</u>

***Performance Measure: Notes***

1. None.

**This page is intentionally left blank**

**Community Development**  
**Program: Permits and Customer Service**

***Program Summary***

Program Code:	0024
Program Purpose:	To provide timely and efficient services to the development community, to receive and process development applications, review plans and applications for compliance with codes and ordinances, issue permits and provide development related information in an accurate and timely manner.
Strategic Goals Addressed:	<ul style="list-style-type: none"> <li>• Business and Economic Development</li> <li>• Responsive Government</li> </ul>

***5 – Year Program Goals***

1. Provide an integrated one-stop permit center for the intake and processing of development plans and the issuance of permits.
2. Improve the efficiency and effectiveness of the development process by the continued implementation of technology improvements and the continued training of staff.
3. Provide permit services 24 hours per day 7 days per week so citizens can use the internet to submit select permit applications, zoning applications, and see the Master Plans and GIS maps.
4. Develop a program for measuring customer service satisfaction.

***Program Budget Summary***

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted
Funding Level	\$569,870	\$585,255	\$572,864	\$618,800
Full Time Employees		12.00	10.00	9.00

***Program Changes***

None

***FY 2010/11 Program Objectives***

1. Reorganization of the front counter operations to establish unitary control, accountability, and the effective and efficient delivery of services.

2. Cross-train existing counter staff in the processing of basic Building, Engineering, and Planning applications.
3. Establish a standard processing or turn-around time for all disciplines involved in the review of construction plans and measure on-time performance.
4. Establish a procedure to prioritize the processing of major projects.
5. Fully Implement the Interactive Voice Recognition (IVR) System for the Department.

***Ongoing Program Objectives***

---

1. Provide prompt, knowledgeable, and effective plan review and application processing services to the development community.

***Performance Measures***

---

	2007/08 Actual	2008/09 Actual	2009/10 Target	2009/10 Mid-Year	2010/11 Target
Average customer wait time before receiving service.					45 min.
Percentage of customers that rate service as above average or better.					85%
Percentage of zoning verification reviews and general inquiries completed in 15 minutes or less.					75%
Percentage of permits issued on-line.					10%
Percentage of inspection request scheduled via the Interactive Voice Recognition (IVR).					75%
Percentage of plan review submittals processed online					30%

***Performance Measure: Notes***

---

**Community Development  
Program: Planning**

***Program Summary***

Program Code:	0029
Program Purpose:	To implement City General Plan policies and zoning regulations by processing land use and development applications, providing assistance to applicants, making recommendations to decision makers and providing information to the public.
Strategic Goals Addressed:	<ul style="list-style-type: none"> <li>• Safe Community</li> <li>• Business and Economic Development</li> <li>• Responsive Government</li> <li>• Transportation and Infrastructure</li> <li>• Beautification</li> </ul>

***5 – Year Program Goals***

1. Streamline and improve the Planning Division review procedures and services.
2. Facilitate economic development and recovery of the City through effective Planning Division services.
3. Improve and enhance the on-line resources and information related to planning and development on the City web site.

***Program Budget Summary***

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted

**Community Development**  
**Program: Stormwater Management - NPDES**

***Program Summary***

Program Code:	0027
Program Purpose:	To protect the quality and beneficial uses of all waters of the State through development review, construction and facility inspections, education and storm drain system maintenance monitoring, in order to comply with all local, State and Federal water quality regulations.
Strategic Goals Addressed:	Responsive Government

***5 – Year Program Goals***

1. Incorporate low impact development (LID) in the City’s Development Code, ordinances, and standard design specifications.
2. Develop a City-specific Stormwater Program local implementation plan (LIP) that identifies responsible activities and staff.
3. Require maintenance agreements for all post-construction BMPs.
4. Adopt ordinances that require control measures for known pathogen and bacteria sources.
5. Develop an inventory of septic systems within the City jurisdiction.
6. Develop a pro-active Illicit Discharge/Illegal Connection Program.
7. Develop a database module to track post-construction BMP inspections.

***Program Budget Summary***

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted
Funding Level	\$404,103	\$415,012	\$406,226	\$438,800

### ***FY 2010/11 Program Objectives***

---

1. Participate in Area-Wide LIP Draft development.
2. Inspect MS4 permit-specified existing businesses.
3. Review violation notices to determine most common offenses to provide education training.
4. Prioritize all construction, commercial, industrial and municipal sites based on a risk potential to adversely affect water quality for inspection purposes.
5. Participate in the MS4 database upgrade work group.
6. Work in conjunction with IT to determine if the NPDES MS4 permit inspection modules can be incorporated into Permits Plus.

### ***Ongoing Program Objectives***

---

1. Continue to participate in the Area-Wide County Stormwater Program.
2. Ensure compliance with NPDES Permit requirements to the maximum extent practicable.
3. Provide City representation at all Area-Wide Stormwater Management Program meetings.
4. Investigate all reported sanitary sewer spills.
5. Train other City departments on NPDES permit requirements.
5. Ensure inspection staff maintains professional certifications.
6. Provide educational material on the City website for the most common NPDES violations and for water conservation.
7. Keep inspection staff trained on current BMP use and installation.
8. Provide educational material to commercial and industrial site owners.
9. Provide staffing at regional public education events.
10. Participate in Area-Wide Program workshops and studies.
11. Continue to work with other divisions to incorporate NPDES requirements into new development and Capital Improvement projects while strengthening

relationship with Engineering, Planning and Building & Safety to streamline NPDES requirements during the development process.

12. Strengthen intergovernmental relationships that enhance NPDES regulatory compliance.

***Performance Measures***

**Community Development**  
**Program: Code Enforcement / Beautification**

***Program Summary***

Program Code:	0021
Program Purpose:	To promote the safety and beautification of the community and improve the quality of life for residents by working with the community, neighborhood organizations and other departments and agencies to ensure that existing building and properties conform to the property maintenance ordinances and other applicable codes.
Strategic Goals Addressed:	<ul style="list-style-type: none"> <li>• Safe Community</li> <li>• Responsive Government</li> <li>• Beautification</li> <li>• Housing and Economic Development</li> </ul>

***5 – Year Program Goals***

1. Continue to streamline processes and implement proactive programs, code amendments, and to improve enforcement tools.
2. Continue educational efforts with neighborhood and business groups or associations regarding neighborhood empowerment and revitalization efforts.
3. Partner with and assist the Economic Development Agency to identify issues and problematic areas that may benefit from a proactive approach by Code Enforcement to enhance the vitality of the downtown area.
4. Partner with other departments, agencies and community organizations to help neighborhoods develop safe and clean environments for their community and enhancement of major gateways into the City including beautifying on and off ramps, medians and main corridors.
5. Continue proactive participation in the City’s revitalization efforts.
6. Strengthen partnerships with Police and Fire Departments to address blighted properties that are directly associated with nuisance activities.
7. Continue to conduct “Team” inspections as needed to provide positive impacts in the City.
8. Improve reporting capabilities and efficiencies through advanced training on GoEnforce software program.

### ***Program Budget Summary***

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted
Funding Level	\$1,979,258	\$2,032,691	\$1,989,658	\$2,149,200
Full Time Employees		30.00	26.00	23.50
Funding Sources				

### ***Program Changes***

1. None

### ***FY 2010/11 Program Objectives***

1. Partner and participate with other departments and agencies for the economic development and beautification of the downtown area.
2. Identify and adopt new policies, procedures and ordinances to assist all departments in addressing the increase in vacant, abandoned and foreclosed properties throughout the City.
3. Set aside funding for vehicle replacement with roll-downs from San Bernardino Police Department to replace unsafe vehicles.
4. Fill the vacant, budgeted Code Enforcement Officer II position.

### ***Ongoing Program Objectives***

1. Administer an effective City-wide code enforcement program.
2. Continue to provide training and keeping officers current on policies and procedures for the GoEnforce software program.
3. Provide excellent and ethical customer service on a consistent basis regarding code enforcement issues.
4. Provide a link between residents and their municipal government enabling citizens to take personal responsibility for making sure that their neighborhoods and homes are safe, clean and of a consistent high quality.
5. Insure that the physical condition of residential and commercial neighborhoods comply with established community standards and codes.
6. Respond effectively and efficiently to threats to the public health, safety and general welfare.

7. Provide timely and consistent response to calls for service.

***Performance Measures***

	2007/08 Actual	2008/09 Actual	2009/10 Target	2009/10 Mid-Year	2010/11 Target
Percentage of proactive cases open					25%
Average number of work days from when complaints first reported until initial response					5

**Community Development**  
**Program: Single-Family Rental Property Inspection**

***Program Summary***

Program Code:	0019
Program Purpose:	The Single-Family Rental Inspection Program enforces minimum property maintenance standards for single-family rental properties by conducting proactive annual inspections and compliments the Department's overall goal of beautification of the City.
Strategic Goals Addressed:	<ul style="list-style-type: none"> <li>• Safe Community</li> <li>• Responsive Government</li> <li>• Beautification</li> <li>• Housing and Economic Development</li> </ul>

***5 – Year Program Goals***

1. Coordinate efforts to identify rental properties with City Clerk's Business Registration.
2. Continue using technology to enhance streamlining efforts.
3. Partner with other City departments and neighborhood associations to educate the public about the Single-Family Rental Property Inspection Program.
4. Increase collection rate of the annual inspection fee.
5. Work with Finance and other affected Departments to contract with an independent collection agency.

***Program Budget Summary***

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted
Funding Level	\$798,997	\$820,567	\$803,195	\$867,600
Full Time Employees		12.00	11.00	10.25
Funding Sources				

***Program Changes***

1. None.

***FY 2010/11 Program Objectives***

---

1. Identify, inspect and invoice all identified single-family rental properties.
2. Increase collection rate by a minimum of 10%.

***Ongoing Program Objectives***

---

1. Promote the beautification of the City through the inspection of single-family rental properties and obtain compliance through enforcement of property maintenance ordinances and applicable laws.
2. Continue educational efforts to homeowners to provide desirable rental properties to the community.

***Performance Measures***

---

	2007/08 Actual	2008/09 Actual	2009/10 Target	2009/10 Mid-Year	2010/11 Target
Number of single-family rental properties					
A) Inspected					9,340
Percent of properties that qualify for the "self-certification" program					30%
Percentage of closed cases:					
A: Referred to other departments					10%
B: Voluntary compliance					65%
C: Administrative Fines					25%
Percentage of cases abated and closed					
A: 1-30 days					45%
B: 31-60 days					20%
C: 61-90 days					15%
D: over 91 days or still open					20%
Percentage of cases appealed to Hearing Officer					35%
Percent of cases heard by the Hearing Officer:

C: Reduced fines					10%
D: Amended (time extension or other change from staff recommendations)					5%
C: Overturned					2%
Collection rate of annual inspection fee					75%

***Performance Measure: Notes***

---

None.

**Community Development  
Program: Weed Abatement**

***Program Summary***

Program Code:	0020
Program Purpose:	To conduct semi-annual inspections of all vacant lots in the City, to hold property owners accountable for maintaining their property in order to prevent fire hazards, eliminate blighted conditions, and to improve the overall aesthetics of the City.
Strategic Goals Addressed:	<ul style="list-style-type: none"> <li>• Responsive Government</li> <li>• Beautification</li> </ul>

***5 – Year Program Goals***

1. Implement a more effective and efficient process of notification and collection of incurred costs.
2. Explore different avenues of progressive penalties to encourage property owners to maintain their own properties (rather than having City contractor’s perform abatements and collecting costs from owners) and to abate hazardous conditions and blight as they occur.
3. Increase collection rates to a minimum of 80% by working with Finance and other affected Departments to contract with an independent collection agency rather than collections through the lien process.

***Program Budget Summary***

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted
Funding Level	\$273,331	\$280,710	\$274,768	\$296,800
Full Time Employees		2.00	2.00	2.25
Funding Sources				

***Program Changes***

1. None.

***FY 2010/11 Program Objectives***

1. Increase abatement collection rate by a minimum of 10%.
2. Work with property owners to monitor their own properties and promptly remove hazardous and blighted conditions of vacant lots throughout the City.

- Educate property owners on City requirements for maintaining their property and on the consequences for non-compliance.

***Ongoing Program Objectives***

---

- Continue to work with other departments, contractors and property owners towards the beautification of the City.
- Work with property owners for the prevention of public nuisances and hazardous conditions of vacant lots throughout the City.

***Performance Measures***

---

	2007/08 Actual	2008/09 Actual	2009/10 Target	2009/10 Mid-Year	2010/11 Target
Number of vacant lots inspected					12,500
Number of property owners notified to clean premises					4,100
Number of lots reinspected for compliance					4,100
Number of properties issued to contractor for abatement and invoiced					400
Percentage of invoices resulting in lien					90%
Number of liens placed on tax roll					275
