Human Resources Department

Business Plan – Overview

Mission Statement:	Human Resources is dedicated to promoting organizational effectiveness through creative leadership that is responsive to our community, employees, and the public while providing courteous and quality human resources, labor relations, employee services, workforce planning, employee retention, risk management, and workers' compensation programs in a timely and cost-efficient manner. We are committed to fostering positive relationships between City employees and the community by promoting professional development and unity through mutual respect and sensitivity to the diversity of our population.
---------------------------	--

About The Department

The Human Resources Department manages the City's human resources activities: labor relations, employee benefits, recruitment, compensation, and training. The Human Resources Department also oversees risk management and workers' compensation programs which reduce the risk of accidents and protect City assets from liability for accident losses and also helps City employees reduce injury and disease risks and maintain good health and fitness.

Top Accomplishments for FY 2009/10

1. Negotiated an employee concession program with all bargaining groups equal to a 10% budget savings.
2. Implemented cost-saving measures through employee health benefit plan revisions.
3. Successfully passed an extensive State of California Workers' Compensation audit, which is conducted every five years.
4. Developed, negotiated, and administered an employee Health Plan Opt-out Program to assist with the budget deficit.
5. Enhanced the New Employee Orientation Program to include updated documentation and a power-point application.
6. Initiated and monitored an audit of dependents receiving City health benefits.

Major Issues for FY 2010/11

1. The impact and challenges of the budget deficit on negotiating expiring collective bargaining agreements.
2. Technology challenges make loss prevention, human resources/safety training, and position control/vacancy difficult and labor intensive.
3. Maintaining competitive salary and benefits to maximize recruitment and retention of highly qualified applicants/employees during the current economic crisis.
4. Negotiate a service contract with the Economic Development Agency to provide human resources and risk management functions.

Program Changes

1. Establishment and recognition of the Police Management Association.

FY 2010/11 Program Objectives

1. Complete negotiations with seven employee organizations within budget target.
2. Provide investigative and consulting services to ensure City compliance with federal, state and local EEO rules and regulations.

Ongoing Program Objectives

1. Maintain collaborative relationships with the seven bargaining units.
2. Provide timely, efficient, and effective disposition of grievances.
3. Investigate and assist in the timely resolution of EEO complaints.
4. Work with departments to administer the terms and conditions of the various collective bargaining agreements.
5. Administer City-wide corrective counseling/employee discipline and ensure consistent, fair, and equitable treatment and appropriate consideration of the City's legitimate business interests in maintaining efficient and effective City operations.
6. Provide training on negotiated changes in collective bargaining agreements.
7. Develop City staff expertise and resources to support City requirements for collective bargaining of contracts.

Performance Measures

Program Changes

1. None

FY 2010/11 Program Objectives

1. Negotiate and implement a contract for health benefit broker services.
2. Conversion/implementation of a health insurance employee benefits system.
3. Develop and administer a City-wide volunteer program.

Ongoing Program Objectives

1. Administer and monitor the FMLA program for compliance.
2. Administer and manage the City’s employee benefit and group health insurance.
3. Conduct research on best practices, identify changes and emerging issues, and make recommendations on plan improvements.
4. Process, schedule, and enroll all eligible employees in retirement and health care programs.
5. Assist employees and retirees with health care concerns.
6. Conduct weekly status meeting with current health care providers.
7. Sponsor annual health fair for all City, Water, & EDA employees.
8. Distribute benefit communication materials and administer an annual health benefit Open Enrollment program.
9. Administer the provider contract for the City’s Employee Assistance Program (EAP).

Performance Measures

	2007/08 Actual	2008/09 Actual	2009/10 Target	2009/10 Mid-Year	2010/11 Target
Annual average percent of increase in premium rates for health benefits.	2.9%	5.1%	12.7%	12.7%	10%
Number of employees enrolled in health care benefits:	1,340	1,431	1,420	1,420	1,430

Liability/Risk Management
Program: Liability/Risk Management

Program Summary

Program Code:	0056
Program Purpose:	To provide a comprehensive, self administered liability program by proactively resolving legitimate third-party claims; managing the Hazardous Materials, Department of Transportation (DOT) and Drug Testing Programs; conducting city-wide Safety/Incident Review Committee and advising departments on a wide range of insurance-related issues.
Strategic Goals Addressed:	Responsive Government

5 – Year Program Goals

1. Complete building assessment for all City structures.
2. Reduce the costs for property and liability claims through more efficient claim/safety tracking, training, and proactive loss programs.
3. Ensure sufficient insurance coverage to protect the City from claims arising out of City operations.

Program Budget Summary

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted

Program Changes

1. DOT administration and testing transferred to Risk Management.

FY 2010/11 Program Objectives

1. Commission actuarial and other studies to monitor the cost of the City's exposure.
2. Annual audits by excess insurance vendors.

Ongoing Program Objectives

1. Identify potential risk management issues and develop proactive strategies and mitigation protocols to contain the number of claims filed and cost of claims paid by the City.
2. Manage the City's general liability and property insurance programs and pursue recoveries for damages to City property and personnel.
3. Administer a comprehensive property, general liability, and environmental insurance program and manage all claims against the City.
4. Provide semi-annual executive summary and trend information to the City Manager and management team on risk, safety, and subrogation.
5. Work with City departments to assure City-wide compliance with Federal and State regulations regarding occupational safety and health standards.
6. Assist department safety training and serve as chairperson of the City-wide Safety/Incident Review Committee.

Performance Measures

	2007/08 Actual	2008/09 Actual	2009/10 Target	2009/10 Mid-Year	2010/11 Target

Workers Compensation
Program: Workers Compensation

Program Summary

Program Code:	0057
Program Purpose:	To provide a comprehensive, self-administered Workers' Compensation program through pro-active management of cost containment, loss prevention, and legislative compliance.
Strategic Goals Addressed:	Responsive Government

5 – Year Program Goals

1. Establish a City-wide return to work/modified duty program to assist employees and departments.
2. Upgrade the current workers' compensation claims handling system to allow for a more effective, technologically advanced system.

Program Budget Summary

	2007/08 Actual	2008/09 Actual	2009/10 Projected	2010/11 Adopted
Funding Level	\$3,490,596	\$4,157,915	\$3,729,900	\$3,744,400

Program Changes

1. None.

FY 2010/11 Program Objectives

1. Review claims handling system to allow for enhanced reporting requirements.
2. Provide statutory benefits in a timely and effective manner.
3. Continue to explore/develop cost saving measures and program strategies for the self-funded Workers' Compensation program.

Ongoing Program Objectives

1. Coordinate injury/illness reporting and claims management with City departments to ensure timely filing of workers' compensation injuries.

2. Coordinate bi-monthly claims status meetings with various departments to manage individual claims, treatment, and return to work.
3. Review employees and supervisors reporting of injury/illness for areas that require mitigation or intervention and partner with Risk Management to implement corrective strategies.
4. Facilitate implementation of Best Practices for City's Workers' Compensation program and coordinate resources necessary to administer claims for compensation filed against the City.
5. Administer a City-wide fitness for duty program.
