About the Police Dept. Benefit Assn.

In responding to an emergency call for assistance officers have been painfully and seriously wounded.

A simple every-day call to "investigate a disturbance" might unmask a desperate criminal who without warning of any kind could inflict critical wounds to an officer.

While on active duty engaged in the pursuit of traffic violators, officers have received fatal injuries.

During such trying times officers and their families receive assistance from the POLICE DEPARTMENT BENEFIT ASSOCIATION.

THE POLICE DEPARTMENT BENEFIT ASSOCIATION not only lends material assistance during times of sickness and death but also helps build a high working morale and esprit de corps among members of the department.

Youth activities, planned and handled by members of the POLICE DEPARTMENT BENEFIT ASSOCIATION in an ever continuing effort to help make our city a better place in which to live include:

In December of each year an Annual Christmas Show for the children of San Bernardino, at which time thousands of children are provided with a star-studded Hollywood Variety Show and a Gift.

The sponsorship, managing and coaching of a Little League Baseball Team, the "Police Senators."

For the past five years Cub Scout Pack No. 23.

Since 1953 the "Rod and Reel Club" for youngsters.

Each year a "Soap Box Derby" entry.

"The Clusters," "The Krankers," and the "Headers" car clubs whereby youth enforce within their membership proper handling in safety of automobiles.

Firearms training competition at no expense to the tax payers.

Boy Scout Troop No. 23 was added as another activity this year.

The POLICE DEPARTMENT BENEFIT ASSOCIATION each year is expanding its sponsorship of youth and civic activities, for we feel that such a program will help keep San Bernardino the ideal community in which to raise your families.

We sincerely hope that you will continue to support the San Bernardino POLICE DEPARTMENT BENEFIT ASSOCIATION with the gratifying knowledge that you have added so much to the welfare of so many.

Thank you

Serving

"THE INLAND EMPIRE"

From: The Police Department Benefit Association

To: The Citizens of San Bernardino

The San Bernardino Police Benefit Association's Board of Directors, join me in a vote of thanks, to those Police Officers who donate many off duty hours as instructors of our various sponsored Youth Activities. These include: LITTLE LEAGUE BASEBALL, SOAP BOX DERBY, THREE CAR CLUBS, BOY SCOUTS and CUB SCOUTS, and our ANNUAL CHILDRENS CHRISTMAS PARTY. Also to those Police Officers who are working with Youth Activities on their off duty hours, not sponsored by this Association. You will find these Youth Activities along with various articles and statistics of your Police Department depicted through the pages of this "Annual Report To The People." . . .

This report, along with innumerable other activities, has been made possible through the wonderful cooperation of our advertisers who are listed throughout this book. On behalf of the membership of the San Bernardino Police Department, I wish to extend my sincere thanks, for they are most kind. It is our sincere hope that you will visit them in the near future.

MANUEL QUEVEDO JR.
President

CITY OF SAN BERNARDINO MAYOR AND COMMON COUNCIL

The San Bernardino Police Department had its inception when our present City Charter was granted in 1905. Throughout these many years this department has gained in stature and is steeped in the rich traditions of law enforcement.

It is with pride that I acknowledge the men and women who comprise this department, for it is through their untiring and combined efforts that the statewide reputation which it enjoys today has been established.

As Mayor of the City of San Bernardino it is a privilege and a pleasure to congratulate, and extend my best wishes to, the men and women of the San Bernardino Police Department.

Mr. and Mrs. Citizen:

During the year of 1956 San Bernardino attracted more residents, more new homes were built, the population of the schools increased and with this increase so did crime increase in our area. But your Police Department is proud to report that it has kept abreast of this increase and has managed to hold its own against this evil. The increase in crime throughout the nation has grown four times as fast as population in the past five years. The members of your Police Department are striving to combat this by increasing their efficiency and retaining a high grade of officer to police your city.

With the continued support and cooperation of the citizens we will continue to be progressive in law enforcement and maintain a highly efficient and trained Police Department in the coming years.

JAMES W. ELLIS,
Acting Chief of Police

Crime is a social misfortune which requires cooperation between the public and the police if it is to be successfully combatted and treated.

Crime is a responsibility of the community.

We extend our compliments to the citizens of San Bernardino for the splendid manner in which they have cooperated with our police department.

Our Police Department . . .

Arrested 681 persons for murder, manslaughter, rape, robbery, assault, burglary, larceny and auto theft.

Arrested 5,564 persons for forgery, embezzlement, C. C. W., vice, sex offenses against the family and children, narcotics, liquor laws, drunkenness, disorderly conduct, gambling and other offenses.

Arrested 326 persons for drunk driving.

Recovered 100% of all cars stolen.

Made 7,497 investigations (non-criminal).

Made 3,013 criminal investigations.

Recovered for the citizens of San Bernardino a total of \$188,310.29 worth of stolen property.

And rendered services to the public too numerous to mention.

Truly these men are the guardians of our peace and property, and we bespeak of them your continued support and cooperation. They have ours.

H. EDWIN HEIL, JR.
Exalted Ruler

JACK HOSFIELD
Secretary

SAN BERNARDINO LODGE, No. 836
B. P. O. ELKS

In order for a Police Officer to deport himself properly he must school himself—learn his powers and their limitations. He must know his duties and how to perform them. He must know the rights of others and protect these rights at all times.

The San Bernardino Police Department assures the citizens of the community of the Department's best efforts at all times.

M. L. HARBAUER

With the establishment of San Bernardino as part of a Metropolitan Area, the extending of our city limits to include more and more areas, your Police Department everyday work load of aid and security is ever increasing.

Officers, before reporting for their daily assignments are briefed on happenings

and trends of matters which affect his working day. Each officer is called upon to perform a variety of services. He is competent to perform First Aid, to ascertain the extent of injury and secure immediate medical service. Patrolmen are trained to handle family arguments, neighborhood feuds, gang fights, prowlers, burglars, petty thieves, drunks and vagrants. A level head and mature, considered judgment are necessary to fulfill the job successfully.

Starting with on-the-scene inquiry, investigators obtain evidence and witnesses, direct the apprehension of offenders.

Detective Division

Hours of interrogation, surveillance, and research are spent by officers protecting and safe-guarding our community from unwanted criminal elements.

The Detective Division investigates most of the crimes reported. They keep an active check on property sold or pawned. A careful check is made on bulletins from other departments that may bear on crimes in our City.

Recover property, and prepare cases for prosecution.

Each bit of information received is followed up carefully.

VICE - NARCOTIC DETAIL

The Vice-Narcotic Detail of the San Bernardino Police Department was formed September 1, 1956 to operate as an independent unit. Prior to this time Vice and Narcotic violations were handled in conjunction with crimes against persons, homicides, robberies, assaults, etc.

Personnel consisting of Lt. Wm. Arnold Yost, Detective S. D. Adamson, Detective L. M. Alter and Secretary Wilma L. Young have set up and maintained a filing system on vice-narcotic violators and suspects, equaled only by a few larger departments in California.

With so few personnel we are indeed proud of our accomplishments this past year:

Narcotic Arrests	63
Prostitution Arrests	13
Gambling Arrests	34
Morals Offenses	43
Assisted other agencies in arrests	19
	—
TOTAL	172

Enforcement of Vice and Narcotic laws differ from other crimes, in that there are no victims to report the crime. Therefore, a considerable amount of time is consumed in seeking out these crimes. After the crime has been established, sufficient evidence must then be obtained for an arrest and conviction.

Drug addiction is responsible for approximately 50 percent of all crimes committed in the larger metropolitan areas and 25 percent of all reported crimes in the nation.

In addition to direct narcotic law violations, drug addicts are responsible for a large majority of the burglaries, thefts, prostitution and other offenses committed to support their drug habits, costing from \$10.00 to \$100.00 a day.

Narcotic addiction is a public problem, one with which the entire population should be concerned. There is no barrier in social standing, race, creed or color.

Any information concerning narcotic violations is sincerely appreciated. In order to cope with the narcotic problem we earnestly seek your help.

Literally thousands of prints are classified and checked.

Records and I.D. Division

Planning and research of our city's rapidly growing perimeter results in a useful approximation of requiring police protection for the future.

Providing interpretation of current legislation, of court decisions and analyzing changes which affect police operations are a continuing phase of police work.

Serial numbers on lost, found, stolen, and pawned articles are checked and filed, aiding in the recovery of lost or stolen property. The total value of the property restored to owners reaches a very high figure. This service is only one phase of the division's work, but a very important one.

JUVENILE DIVISION

Counselling with parents in an effort to guide and advise them on proper supervision of their children is a service that has paid big dividends in delinquency prevention.

A missing child—a lost bicycle—a youngster in trouble—a victim of adult neglect or depravity—a boy with a traffic citation. These and many other complex problems keep the Juvenile Officers busy twenty-four hours of each day. Both crimes by youngsters and against youngsters are investigated by the Juvenile Division.

License Division

One of the principal sources of the City's revenue is the collection of business licenses and sales tax. There are those who, through ignorance or willful disregard for the law, attempt to evade the payment of these items. Constant diligence is vital to the successful collection of the City's due.

Out-of-town vendors operating in our City must be licensed to protect the merchant who is a permanent part of our community.

Business Licenses are issued not only to protect the merchant, but also the purchaser.

CIVIL DEFENSE & TRAINING DIVISION

Captain

A. L. LUCE

JOHN BROMILOW

CLARICE DOERING

TO THE CITIZENS OF SAN BERNARDINO; We take great pride and pleasure in presenting to you: The Police Reserves.

The Police Reserve is composed of two hundred and fifty-six men and women, who serve you without public recognition. They attend classes in police training, and those who carry arms train regularly at the Pistol Range. They serve at public events of all kinds, parades, games, children's circuses and many other events. They put in long nights hidden in the cemeteries to prevent vandalism, watch your school buildings, and prevent dumping of trash along outlying streets.

Last year they donated 18,562 hours of free service to you, the taxpayer. This is equal to nine policeman years and saved you \$35,000 in cash as well as untold thousands of dollars in loss of property and lives.

All of these services are given freely with just one request to you, join with us in making this a better city.

Firearms Training

The Firearms Training course consists of training in riot work, operation of tear gas, grenades, rifle projectiles, gas cylinders, riot and machine guns.

By keeping cost at a minimum, maximum training is given, resulting in a Police Department staffed with skilled personnel.

Training also includes physical combat practice and reading to keep abreast of changing police techniques.

Humane Division

Returning lost pets to anxious owners and checking homes for proper dog licenses are but a small part of the multiplicity of activity. The clinics for dog vaccinations account for many hours of overtime on the part of the men in the Humane Division.

Thousands of animals are handled each month by this division which also has service contracts with the cities of Rialto and Colton, as well as Riverside County.

The Annual Christmas Party was moved from the Municipal Auditorium to the National Orange Show Swing Auditorium, where 2500 children, many accompanied by their parents, enjoyed a wonderful show, and received bags of goodies and prizes as they were leaving.

The Police Department, the Sun Company, and the Scheppers Bros. Theatrical Agency wish to thank the merchants of San Bernardino and the Oak Glenn Apple Growers for their support of the event. Also Norton Air Force Base for the six buses which shuttled the children to and from the event from three different points in our city.

We are looking forward to a bigger and better Christmas Party this year.

Police Senators

Little League helps to build character in a million youngsters annually. They will be better Americans for the future. This is the strength of the nation. The Police Department Benefit Association is proud of its association with San Bernardino Little League and sponsorship of the "Police Senators."

Cub Scout Pack 23

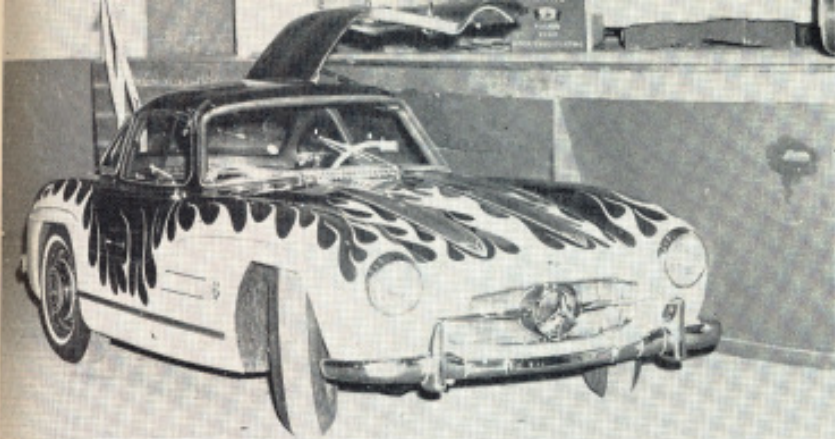

The San Bernardino Police Department Benefit Association has sponsored Cub Scout Pack 23 for five years. Each year boys are taken on an annual picnic. Den mothers plan and supervise interesting and entertaining weekly meetings. In addition to participating in normal scouting programs and competition the boys are taken to outstanding sport events. This year the Association has added the sponsorship of Boy Scout Troop No. 23.

Headers Car Club

KRANKERS
HERDOO

"The Clusters of Berdoo," under the sponsorship of the San Bernardino Police Department Benefit Association, was formed on Oct. 29, 1954. This Club was followed by the "Krankers" and still later by a third club, the "Headers."

An order of business at each meeting is the inspection of each member's car. . . . All cars must be in perfect mechanical condition with spotless interiors and exteriors.

The First Annual Car Show was organized, promoted and executed by the Krankers, to further better understanding between car clubs and the general public.

Members have done an outstanding job of removing from our city streets the menace of HOT ROD DRAG RACES.

Clean, Modern Trucks for Every Hauling Job! That's The Hertz Idea!

Rent any size stake, van or panel truck by the hour, day or longer. Just show a proper driver's license and identification.

Drive a hefty Chevrolet or other sturdy truck. Low rates include all gasoline, oil, proper insurance plus \$100 deductible collision protection.

TO ALL TRUCK OWNERS!

Save huge capital investment in trucks... save maintenance headaches! Call us about the money-saving Hertz Truck Lease Service. We supply everything but the driver.

Always Call Hertz!
